The Court granted Plaintiff's motion. By motion filed June 9, 1999, Plaintiff informed the Court that a decision in the administrative discrimination proceeding would be rendered within two or three months of that date. However, more than a year and a half after Defendant's filing of an administrative discrimination complaint, Plaintiff now informs the Court that a decision still has not been rendered. This Court is unwilling to stay this case any longer. As such, on or before July 26, 2000, Plaintiff SHALL inform this Court whether it wishes to voluntarily dismiss this action or whether it intends to proceed. Otherwise, the Complaint will be dismissed without prejudice. Justice delayed is justice denied.</p>
